## CLASSIC CAVIARS

**WHITEFISH** Great Lakes Whitefish caviar, from small crisp roe, popularly known as 'American Golden' for its sparkling yellow-gold color. Ours is the lowest in salt available and has a very fresh, light, clean flavor.

**SALMON** The Chinook (King) Salmon of the Great Lakes produce large orange eggs with soft liquid centers. Our unique processing method quickly freezes the skeins of roe in their natural state. We make the caviar entirely by hand, fresh to order, weekly. Caviar in its purest form with a clean, sweet, natural flavor.

**BOWFIN** Also known by its Cajun name, **Choupique**, this archaic freshwater bony fish produces natural black eggs that resemble sturgeon roe with a lively, distinctive flavor.

**HACKLEBACK STURGEON** Also called the **Shovelnose**, is native to the Mississippi – Missouri River system. This beautiful true sturgeon caviar is a natural, glistening black with an intense, sweet, nut-like flavor.

**PADDLEFISH** These cartilaginous fish also called **Spoonbills or Spoonies** inhabit the same waters as their sturgeon cousins. Paddlefish caviar comes in many shades of gray; pale to dark steel color through golden brown tones and has a rich, complex flavor quite similar to Caspian Sea caviars.

## SMOKED CAVIARS

**SMOKED CHICAGO GOLDEN™** Low-salt Whitefish caviar that is smoked to capture the rich aromas and intense flavors from our own blend of midwestern fruit and hardwoods.

**GRAVLAX CAVIAR™** Lightly smoked salmon roe seasoned with dill, cracked pepper and lemon zest.

## SPECIALTY CAVIARS

**CAVIAR PEPPAR®** Spiked and Spicy! Golden Whitefish caviar, cured with fresh Jalapeno, Serrano, and Habanero peppers, accented with **ABSOLUT PEPPAR®** Vodka and packed with a red chile pepper garnish.

**CAVIAR CITRON®** Our incomparable Whitefish is redolent with fresh citrus lemon, lime, orange and grapefruit combined with **ABSOLUT CITRON®** Vodka for this popular and versatile caviar.

**GRANDE PASSION™** The original dessert caviar! Salt-free Whitefish caviar, sweetened and infused with fresh passion fruit, orange and Armagnac.

**GOLDEN TRUFFLE CAVIAR** Delicate American golden whitefish caviar is the perfect base for our Black Truffle Infusion. The multi-layered and aromatic Truffle is carried throughout the caviar in tiny flashes of black. Dazzling in its two-toned appearance and delicious in any culinary creation you choose. Add the allure of Truffle to any menu with Golden Truffle Caviar.

**RED, ORANGE & BLACK TOBIKKO** Japanese Tobikko, popular for its crunchy texture and brilliant, glittering, fluorescent red and orange colors.

**WASABI TOBIKKO** Japanese horseradish imparts flavor to this intense, dazzling, neon green caviar.

## OTHER COLLINS CAVIAR SPECIALTIES

**SMOKED CAVIAR & LOBSTER ROE SPREAD™** Made with cream cheese, Smoked Chicago Golden™ Caviar, lobster roe, fresh scallions, sweet butter and salt.

**CITRON CAVIAR & CHIVE SPREAD™** made with cream cheese, Caviar CITRON® with an extra accent of fresh lemon juice and chives, sweet butter and salt. Both flavors may be stored in your freezer.

**TRUFFLE BUTTER** Lightly salted butter blended with black truffles, white truffle oil and natural flavor. Exquisite!

**CLASSIC BLINI** Direct from France, LaBeyerie Blini come packed 16 pieces per package. Just heat and serve.
